DAY**

28 SEPTEMBER 2019  
OMUTHIYA – NAMIBIA  
OSHIKOTO REGION

## **Good morning**

I wish to observe the protocol as is.

I am humbled to welcome you all to the 8<sup>th</sup> National Fish Consumption Day here in Omuthiya. We are very grateful to the Town of Omuthiya and the Oshikoto Region at large for the tremendous support towards hosting this event. We appreciate the warmest reception at our disposal since our arrival.

I also wish to extend sincere gratitude the Fishing Industry and stakeholders who made this event. Your gesture truly reflects your commitment to this year's theme and, to the realisation of a healthy and well-fed nation. A healthy nation is that which nourishes the health benefits of consuming nutritious diet, fish. Our Government has made fish affordable and accessible so that we can consume it more. So, let us enjoy our own resources and reap its health benefit.

Having said that, allow me to introduce our Keynote Speaker. The pillar of our thriving fishing industry and the frontier behind the Namibianisation of the Namibian Fisheries, the power-horse towards equally sharing of fish resources and indeed the guiding master minder towards the fish-eating nation, Hon Bernhard Esau – the Minister of Fisheries and Marine Resources to address us.
